

Our Local Larder.

Smoked Salmon from Brancaster. 30 miles.

Simon Letzer has been fishing off the North Norfolk coast for many years and is also an experienced smoker of fish. Salmon is an obvious choice which he smokes very delicately. Simon also smokes cod and locally caught eel for us which is very popular.

Simon's salmon can be found in several restaurants in Norfolk and is available to the public at Gurneys fish shop in Burnham market and the North Norfolk Fish market in Holt.
