

# **Our Local Larder.**

Pork from South Creake. 47 miles.

Our pork is sourced by our local butcher (G.F. Whites) in Aylsham and it is usually from Tim Allen of Morley Farm at South Creake. The pigs are all reared outside and live a happy existence with the freedom to roam in their paddocks.

The Morley farm pork is available from Whites the butchers as well as other outlets such as Walsingham Farm Shop.
