# Winter Sample Menu 2018

All our main courses are served with a selection of seasonal vegetables and potatoes, some of which are incorporated into the dish.

Our vegetables, salad and fruit are all sourced from as locally as possible, but there are times when to get the best quality, either early or late season, we have to search a little further afield.

We are constantly looking for the best produce with as low as possible food miles. Our main fruit and vegetable suppliers are "Fresh Approach" who grow much of their own produce between
